**Our marketing department works closely with hospitality members to ensure the best service possible for our mutual guests. We give priority to your orders and go out of our way to accommodate last minute reservations. We have a terrific quality assurance department, dedicated lost and found department and professional dispatch staff. Our drivers are the best in the industry; professional, courteous and well groomed. Our vehicles are all late model kept in pristine condition.**

**To show our appreciation we have created this exciting reward program for your hard work. Customarily we reward our hospitality members with currency as commission. We have expanded our reward program to encompass a variety of rewards to suit your nature. Choose from currency, gift certificates to local retail shops and restaurants, complimentary car service, or donate to one of our community charities. Watch your commissions accumulate and turn them in once a month or quarterly. Your rewards are based on percentage of gross bookings of fare price. Percentage levels vary based on volume. Our programs are discreet and confidential. Rewards will be delivered within 7 business days of delivery. We look forward to receiving your application and starting your enrollment. Please fax application to (818) 768 6670 or send us an email with your info [BlackCarLA@sgtransit.com](mailto:BlackCarLA@sgtransit.com).**
